

(a) Written permission from a parent is required for admission of a mildly sick child. If a child is assessed to need care because he or she is mildly sick, permission may be given by telephone and documented if a child is to be moved from the well child component of the center to the mildly sick area, as long as written permission is received prior to the second day of attendance.

(c) The on-site administrator or on-site health care professional may require a written medical evaluation for a child to include diagnosis, treatment and prognosis, if the evaluation is necessary to determine the appropriateness of a child's attendance prior to admission or upon worsening of the child's symptoms.

(e) No child shall be admitted unless staff who meet the qualifications in Rule .2408 of this Section are on site and available to provide care.
