

10A NCAC 09 .2504

All space requirements specified in Section .1400 shall apply when a facility provides care for school-age children and any preschool child is also in care, or when a program that provides care exclusively for school-age children operates indoors in a permanent structure for more than 25 percent of each day. A gymnasium or other single use room may be included in the space measured for licensed capacity when used as primary space.
