

10A NCAC 13F .0303 LOCATION

- (a) An adult care home shall be in a location approved by local zoning boards.
- (b) The facility shall be located so that hazards to the occupants are minimized.
- (c) Plans for the building and site are to be reviewed and approved by the Construction Section of the Division of Health Service Regulation prior to licensure.
- (d) An adult care home may be located in an existing building or in a building newly constructed specifically for that purpose.
- (e) The site of the proposed facility shall be approved by the Division of Health Service Regulation prior to construction and shall:
 - (1) be accessible by streets, roads and highways and be maintained for motor vehicles and emergency vehicle access;
 - (2) be accessible to fire fighting and other emergency services;
 - (3) have a water supply, sewage disposal system, garbage disposal system and trash disposal system approved by the local health department having jurisdiction;
 - (4) meet all local ordinances and zoning laws; and
 - (5) be free from exposure to pollutants known to the applicant or licensee.
