

10A NCAC 22R .0105 DISTRIBUTION OF AVAILABLE FUNDS

(a) An eligible hospital satisfying the requirements of Rule .0103 of this Section shall be eligible for a payment from funds available under this Subchapter. In a payment period, an eligible hospital shall receive a proportional payment of the available funds based on the eligible hospital's share of outpatient costs for uninsured patients as a percentage of the aggregate of outpatient costs for uninsured patients for all eligible hospitals.

(b) Based on the availability of funds, payments authorized by this Rule shall be made at least annually on a frequency determined by the Department in consultation with certifying hospitals.

(c) To confirm the hospital's eligibility to receive payments pursuant to this Subchapter and the accuracy of the hospital's attestation to unreimbursed charges for outpatient services provided to uninsured patients and the hospital's Medicaid outpatient cost-to-charge ratios, the Department may audit a hospital receiving more than two million dollars (\$2,000,000) for compliance with the requirements of this Subchapter. Upon completion of the audit, the following shall occur when applicable:

- (1) If a hospital received payments pursuant to Paragraph (a) of this Rule in excess of the percentage determined by the audit, the excess payments shall be refunded to the Department.
- (2) The Department shall distribute any refunded amounts to eligible hospitals, excluding eligible hospitals from whom excess distributions were recovered pursuant to Subparagraph (c)(1) of this Rule, within 12 months of receipt using the distribution method set forth Paragraph (a) of this Rule.
- (3) No additional payment shall be made to eligible hospitals in connection with the audit except for the redistribution of amounts refunded after an audit conducted by the Division of Health Benefits.
