

10A NCAC 26C .0205 YEARLY RESEARCH STATEMENT

The Division of mental health, through its head of research, shall receive once a year from each region a statement of all research projects which have been started, continued or terminated in that region. Each region's efforts shall be supported by a research consultant from the Division's office, who shall also be a member of each research committee in the region. The research consultants shall assist in the formulation of research plans, wherever this may become necessary.
