

**10A NCAC 39B .0104     TRANSFER OF DONATED BODY**

- (a) If a body has been donated to the Commission, the next of kin or a responsible representative shall ascertain from a member of the Commission in the nearest medical school whether the body can be accepted.
- (b) Unless the estate or one or more members of the family agree to bear the costs, the medical school receiving a body donated to the Commission shall pay all reasonable fees for services rendered in delivery of that body to the medical school.

*History Note:*     *Authority G.S. 130A-416;*  
                         *Eff. November 1, 1977;*
