

10A NCAC 48D .0202 STANDARD B: COMMUNITY PARTNERSHIP DEVELOPMENT

To satisfy the community partnership and development standard, a local health department shall complete the following activities:

- (1) consult with representatives of communities with barriers accessing health care in developing and implementing LHD programs and services;
- (2) develop and maintain relationships with community partners and government entities to improve LHD programs and services; and
- (3) consult community partners in the development of the community health improvement plan.
