

10A NCAC 71A .0206 STEPS IN EVALUATION

The complete evaluation shall include:

- (1) The visit to the person, which means that the person must be seen by the worker. The worker will make as many visits as are necessary to determine whether the adult is disabled; abused, neglected or exploited; and in need of protective services;
- (2) Consultation with others who have knowledge of the facts of the situation. This includes individuals identified by the person making the report, as well as individuals mentioned by the disabled adult who may have information pertinent to the evaluation;
- (3) Medical, psychological or psychiatric evaluations when necessary to determine whether the adult is disabled; abused, neglected or exploited; and in need of services; and to determine what services are needed.
