

11 NCAC 24 .0107 GENERAL ADMINISTRATION

Every PBM shall:

- (1) Establish a governing body that is authorized to set policy for the organization.
- (2) Maintain complete corporate records in a secure and accessible location.
- (3) Employ a management information system that is able to provide information on all areas of the PBM operations.
- (4) Set internal policies and procedures for contract management.

History Note: *Authority G.S. 58-2-40; 58-56A-2;*
 Eff. September 1, 2025.
