12 NCAC 09B .0405 COMPLETION OF BASIC LAW ENFORCEMENT TRAINING COURSE

(a) Each delivery of a Commission-accredited Basic Law Enforcement Training Course (BLET) includes all modules as specified in Rule .0205 of this Subchapter. Each trainee shall attend and satisfactorily complete the full course as specified in Paragraph (b) of this Rule during a scheduled delivery. The school director may develop supplemental requirements as set forth in Rule .0202(a)(5) of this Subchapter, but may not add substantive courses, or change or expand the substance of the courses as set forth in Rule .0205 of this Subchapter for purposes of Commission credit. This Rule does not prevent the instruction on local agency rules or standards; however, such instruction shall not be considered or endorsed by the Commission for purposes of certification. The Director of the Standards Division shall issue prior written authorization for a specified trainee's limited enrollment in a subsequent delivery of the same course where the trainee provides evidence that:

- (1) the trainee attended and satisfactorily completed specified class hours and topics of BLET but through extended absence occasioned by illness, accident, emergency, or other good cause was absent for more than five percent of the total class hours of the course offering;
- (2) the trainee was granted excused absences by the school director that did not exceed five percent of the total class hours for the course offering and the school director has obtained approval from the Standards Division pursuant to Rule .0404 of this Section for make up work to be completed in a subsequent enrollment; or
- (3) the trainee participated in a BLET course but had an identified deficiency in topical area or skill areas in no more than two of the specific topic areas incorporated in course content as prescribed under Rule .0205 of this Subchapter;

For the purposes of this Rule, "limited enrollment" is defined as the requirement to complete the specific number of courses and course hours in which the trainee is deficient. The trainee who is deficient in more than two academic areas or motor skills shall be dismissed from the course delivery and shall be required to complete a subsequent training delivery in its entirety.

(b) The trainee shall demonstrate proficiency in the academic tests by achieving a minimum score of 70 percent on each academic test. If a trainee scores below 70 percent on each academic test, remediation will focus on re-teaching the specific concepts and skills in the topical area(s) that a trainee fails to achieve a passing score, as follows:

- (1) a trainee who fails to achieve a passing score of 70 percent on the first attempt shall have one opportunity for reexamination following remediation;
- (2) a trainee shall be allowed failure, remediation, and reexamination in no more than four topical area tests;
- (3) upon initial failure of a fifth topical area test, the trainee shall not be allowed remediation or reexamination and shall be immediately dismissed from the course and shall be required to complete a subsequent delivery of BLET in its entirety.

(c) An authorization of limited enrollment in a subsequent delivery of the BLET shall not be issued by the Standards Division unless in addition to the evidence required by Paragraph (a) of this Rule:

- (1) The school director of the previous course offering submits to the Standards Division a certification of the particular topics and class hours attended and satisfactorily completed by the trainee during the original enrollment; and
- (2) The school director makes written application to the Standards Division for authorization of the trainee's limited enrollment.

(d) An authorization of limited enrollment in a subsequent course delivery permits the trainee to attend an offering of BLET commencing within 120 calendar days from the date of administration of the state comprehensive examination in the trainee's prior course delivery.

- (1) The trainee shall attend and complete in its entirety each topical area identified by the school director as an area of trainee deficiency in the prior course participation with the exception of the "Officer Health and Wellness" topical area.
- (2) The two options available for satisfying a deficiency in the "Officer Health and Wellness" topical area are:
 - (A) the student shall be allowed to make up the deficiency at the original training site without enrolling in a subsequent delivery of BLET. Under this option, the student shall be given 120 calendar days from the date that the comprehensive state examination was administered to the original BLET course in order to satisfy this deficiency. Students who select this option shall be allowed two attempts to complete the entire Police Officer Physical Abilities Test (POPAT) Course with a minimum of 24 hours of rest between attempts during the 120-day period to satisfy the deficiency; or
 - (B) the student shall be allowed to enroll in a subsequent delivery of BLET as a "limited enrollee." This delivery shall begin within 120 calendar days from the date that the comprehensive state examination was administered to the original BLET course in order to satisfy this deficiency. Students who select this option shall be allowed two attempts to complete the entire POPAT Course with a minimum of 24 hours of rest between attempts during the delivery period of the subsequent BLET course.

A certified "Officer Health and Wellness" instructor is the only person qualified to administer and grade the fitness re-test. At the time of the re-test, the school director or the Qualified Assistant shall be present.

- (3) Following limited enrollment in the subsequent course offering, scheduled class attendance, and having received passing grades on all required topic and motor-skill tests, and having no

deficiencies, the trainee shall be eligible for administration of the State comprehensive examination by the Commission, as set forth in Rule .0406 of this Section.

(e) This Rule does not apply to Basic Law Enforcement Training courses that were in progress as of January 1, 2025.

12 NCAC 09B .0604 SELF STUDY

(a) There must be a systematic plan to conduct evaluative activities on an on-going basis. Self-evaluation is a continuing obligation of the institution offering a criminal justice program. The self-evaluation must include, as a minimum, a specific response to each guideline for approval as outlined in the "Certification Manual". Supplementary materials may be appended to the report if they clarify the response(s).

(b) The self-study may be conducted utilizing a recent institutional self-study conducted within the past three years or one currently underway for the Southern Association of Colleges and Universities accreditation or re-accreditation. Care should be taken to appropriately supplement materials used in the Southern Association self-study with information required specifically for certification by the Commission, as found in the self-evaluation report forms.

(c) A Visiting Team may be required. It will use the self-evaluation as the primary evaluation instrument during the site visit.

(d) Five copies of the completed self-evaluation report and five copies of the college catalog must be submitted to the Commission's Program Evaluation Committee for the Visiting Team and Committee use.

12 NCAC 09B .0605 INSTITUTIONAL VISITATION

(a) After copies of the completed self-evaluation report have been received by the Program Evaluation Committee, the institution will make arrangements for a team to visit the institution, if a team visit is called for.

(b) Duties and composition of the Visiting Team are outlined in the "Certification Guidelines Manual".

(c) Visits will normally be one day in duration, but for planning purposes, each application and self-evaluation report will be examined to estimate the length of the visit.

(d) Team activities during the visit will include the following:

- (1) review of the goals and objectives of the program;
- (2) preliminary, interim, and closing conferences with the program administrator;
- (3) conferences with faculty groups, individual faculty members, and support personnel;
- (4) conferences with administrative officers of the institution;
- (5) discussions with criminal justice officials served by the program;
- (6) conferences with students and graduates, if possible;
- (7) visits to appropriate school facilities and resources;

- (9) upon completion of the visit, the team will conduct an exit interview with appropriate institutional representatives.

(e) On-site arrangements will be conducted in the following manner:

- (1) The institution will provide those documents, reports, and other material requested by the Program Evaluation Committee prior to the site visitation.
- (2) The institution will provide lodging, meals, and transportation for the Program Evaluation Committee.

- (3) The institution will make arrangements for a convenient office or conference room, as well as secretarial and other support services.

12 NCAC 09B .0606 APPLICATION PROCEDURES

(a) The chief academic officer of an institution will direct a letter to the Commission indicating an intent to seek certification.

(b) The Commission shall furnish the institution with an application form and a copy of the relevant procedures.

(c) The filing of an application seeking certification does not assume eventual certified status, nor should there be an implication that an official form of recognition or approval has been granted.

Note: An institution may publish the following statement:

"(NAME OF INSTITUTION)_____

has applied for certification to the North Carolina Criminal Justice Education and Training Standards Commission Program Evaluation Committee. At this time, certification has not been granted."

(d) Upon receipt of the application, the Program Evaluation Committee shall furnish the institution with a copy of the self-evaluation report forms.

(e) The institution shall conduct its self-study in accordance with the self-evaluation report forms. Three procedural options exist for conducting the self-study:

- (1) An institution may choose to utilize, in conjunction with the self-evaluation report forms, materials from recent Southern Association of Colleges and Universities accreditation efforts. The Program Evaluation Committee will take into account the age of these materials in its decision-making. Following submission of these materials, site visitations may be conducted.
- (2) Alternatively, anticipating an upcoming accreditation by the Southern Association of Colleges and Universities, an institution may conduct the self-study and submit it requesting tentative certification. If the Program Evaluation Committee determines the self-study appears to meet certification criteria, the institution will be granted tentative certification.
- (3) Alternatively, the entire process may be independent of the Southern Association of Colleges and Universities. The institution conducts its self-study, submits the document and a site visit is conducted.

(f) The Program Evaluation Committee will review submitted materials for completeness and prima facie evidence of eligibility. If prima facie evidence of eligibility exists, the Program Evaluation Committee may direct the appointment of a visiting team and shall notify the institution. In the event that the Program Evaluation Committee determines a lack of prima facie evidence for eligibility, the institution shall be notified in writing by certified mail with return receipt requested.

(g) Site visitation may be conducted if prima facie evidence of eligibility exists. The site visit may be foregone when evidence clearly supports certification.

(h) An institution shall be notified in writing of the date its certification application is being considered by the Program Evaluation Committee and shall have the right to representation for the purpose of answering questions or clarifying issues under consideration.

(i) The Program Evaluation Committee will render a decision regarding certification at its next regularly scheduled meeting. An institution will be notified of such a decision within thirty days by certified mail with return receipt requested.

(j) In light of the program's announced objectives and standards and the report of the visiting team, the Program Evaluation Committee may recommend to the Education and Training Committee of the commission any of the following actions:

- (1) certify or re-certify with or without stipulations to include probation;
- (2) defer action subject to conditions; or
- (3) deny or revoke certification.

(k) In the case of disapproval an institution may appeal in accordance with the appeal procedures outlined in Rule .0608 of this Section. If no appeal is received, or if the appeal is denied, appropriate recommendations are forwarded to the Commission.

(l) The Education and Training Committee shall determine whether or not to recommend certification to the Commission based upon the report of the Program Evaluation Committee. An institution may appeal the Education and Training Committee's decision under the provisions of North Carolina General Statute 150B.

(m) When certification is awarded, the Commission shall notify the institution, program, and the public as follows:

- (1) As soon as possible, the chairman of the Commission shall send a formal letter and certificate to the institution's chief executive officer, enclosing a copy of the Commission's decision.
- (2) Data in the self-evaluation report, the team report, and the supplementary reports are confidential and are not shared with the members of the North Carolina Criminal Justice Association, the press, or the public, except as may be required by government regulations. If data are used for statistical purposes, individual programs and schools shall not be identified with any particular data.

12 NCAC 09B .0607 PROCEDURAL CONSIDERATIONS

(a) Candidate Status:

- (1) An institution will be eligible to remain in Candidate Status for no more than four years after the date that the application is received.
- (2) If at any time during the four-year period it is considered that the institution is not making reasonable progress toward meeting criteria for approval, the Program Evaluation Committee will withdraw Candidate Status and notify the institution in writing. The notification will set forth the reasons for the Program Evaluation Committee's withdrawal of status, and give notice of procedures for appeal.

(b) Certified Status:

- (1) Programs in this status will be re-certified at such time as the institution is scheduled for reaccreditation by the Southern Association of Colleges and Universities, or at the end of a ten year period, at the discretion of the institution.
- (2) The Commission reserves the right to withdraw certification or to place an institution on probationary status at such time as evidence is brought to the Commission's attention indicating substantial failure to meet or maintain criteria for certification. The program shall remain in this status until certification is restored or revoked by the Commission. An institution will be given a reasonable period of time to rectify the problem. This period of time shall not exceed two years.
- (3) The Commission should be informed of significant program changes. Where the changes alter the nature and scope of the program, or appear to the Commission to be detrimental, the Commission may require a reevaluation of the program.

12 NCAC 09B .0608 APPEAL PROCEDURES

(a) If the Program Evaluation Committee renders an adverse decision other than deferral of action, the institution shall have the right to appeal as outlined in this Section. If the institution wishes to contest a deferral decision, it may bring such complaint before the Program Evaluation Committee and request notification of its decision. The institution may then appeal as outlined in Paragraphs (b) and (c) of this Rule.

(b) If the institution does not appeal the decision of the Program Evaluation Committee with regard to certification, it may reapply for certification after one year from the denial of certification.

(c) If the institution wishes to appeal the recommendation of the Program Evaluation Committee, it may rebut said recommendation before the Education and Training Committee of the commission in the following manner:

- (1) The institution shall notify the chairman of the commission in writing of its desire to rebut the Program Evaluation Committee's decision within ten days of the receipt of notification by the Program Evaluation Committee.

- (2) The chairman of the commission shall forward the request for rebuttal to the Chairman of the Education and Training Committee who shall schedule a Program Evaluation Committee hearing at the earliest possible time for consideration of the appeal.
- (3) Should the institution wish to appeal the decision of the Education and Training Committee, it may do so under the provisions of North Carolina General Statute 150B.
- (4) The Education and Training Committee recommendation and report from the hearing held under North Carolina General Statute 150B shall then be made to the Commission at its next regularly scheduled meeting.
