

15A NCAC 02Q .0304 APPLICATIONS

(a) Obtaining and filing application. Permit, permit modification, or permit renewal applications may be obtained and shall be filed according to 15A NCAC 02Q .0104.

(b) Information to accompany application. Along with filing a complete application form, the applicant shall also file the following:

- (1) for a new facility or an expansion of existing facility, a zoning consistency determination according to G.S. 143-215.108(f) that:
 - (A) bears the date of receipt entered by the clerk of the local government; or
 - (B) consists of a letter from the local government indicating that zoning or subdivision ordinances are met by the facility;
- (2) for a new facility or an expansion of existing facility in an area without zoning, an affidavit and proof of publication of a legal notice as required pursuant to 15A NCAC 02Q .0113;
- (3) for permit renewal, an emissions inventory that contains the information specified pursuant to 15A NCAC 02D .0202 using emission inventory forms or electronic data systems provided by the Division; and
- (4) documentation showing the applicant complies with Parts (A) or (B) of this Subparagraph if this information is necessary to evaluate the source, its air pollution abatement equipment, or the facility:
 - (A) the applicant is financially qualified to carry out the permitted activities; or
 - (B) the applicant has substantially complied with the air quality and emissions standards applicable to any activity in which the applicant has previously been engaged, and has been in substantial compliance with federal and State environmental laws and rules.

(c) When to file application. For sources subject to the requirements of 15A NCAC 02D .0530 or .0531, applicants shall file air permit applications no less than 180 days before the projected construction date. For other sources, applicants shall file air permit applications no less than 90 days before the projected date of construction of a new source or modification of an existing source.

(d) Permit renewal, name, or ownership changes with no modifications. If no modification has been made to the originally permitted source, application for permit change may be made by application to the Director as specified in 15A NCAC 02Q .0104. The permit renewal, name, or ownership change application shall state that there have been no changes in the permitted facility since the permit was last issued.

To make a name or ownership change, the applicant shall send the Director the content specified in 15A NCAC 02Q .0305(3) or (4) signed by the responsible official as defined in 15A NCAC 02Q .0303.

(e) Applications for date and reporting changes. Application for changes in construction or test dates or reporting procedures may be made by letter to the Director as specified in 15A NCAC 02Q .0104. To make changes in construction or test dates or reporting procedures, the applicant shall send the Director the letter specified in 15A NCAC 02Q .0305(5) signed by the responsible official as defined in 15A NCAC 02Q .0303.

(f) When to file applications for permit renewal. Applicants shall file applications for renewals as specified in 15A NCAC 02Q .0104 no less than 90 days before expiration of the permit. If a hard copy of the application is mailed to the Director, the application shall be postmarked no later than 90 days before expiration of the permit.

(g) Name or ownership change. The permittee shall file requests for permit name or ownership changes when the permittee is aware of the name or ownership change.

(h) Requesting additional information. Whenever the information provided on the permit application forms does not adequately describe the source or its air cleaning device, the Director may request that the applicant provide other information to evaluate the source or its air cleaning device. Before acting on a permit application, the Director may request information from an applicant and conduct an inquiry or investigation to determine compliance with standards.

(i) Application fee. With the exceptions specified in 15A NCAC 02Q .0203(i), a non-refundable permit application processing fee shall accompany the application. The permit application processing fees are listed in 15A NCAC 02Q .0200. A permit application shall be incomplete until the permit application processing fee is received.

(j) Correcting submittals of incorrect information. An applicant shall have a continuing obligation to submit relevant facts pertaining to his or her permit application and to correct incorrect information in his or her permit application.

(k) Retaining copy of permit application package. The applicant shall retain during the permit term one complete copy of the application package and the information submitted in support of the application package.
