15A NCAC 02Q .0313   EXPEDITED APPLICATION PROCESSING SCHEDULE

(a) Using the procedures contained in this Rule may result in a permit that EPA does not recognize as a valid permit.

(b) An applicant may file an application to follow the expedited review for application certified by a professional engineer as set out in G.S. 143-215.108(h) if:

      (1)   the applicant specifically requests that the permit application be processed pursuant to the procedures in G.S. 143-215.108(h); and

      (2)   the applicant submits:

            (A)   applications as required pursuant to 15A NCAC 02Q .0304 and .0305;

            (B)   a completeness checklist showing that the permit application is complete;

            (C)   a draft permit;

            (D)   all required dispersion modeling;

            (E)   a certification signed by a professional engineer registered in North Carolina certifying the accuracy and completeness of draft permit and the application, including emissions estimates, applicable standards and requirements, and process specifications;

            (F)   a zoning consistency determination as required pursuant to 15A NCAC 02Q .0304(b)(1);

            (G)   a written description of current and projected plans to reduce the emissions of air contaminants as required pursuant to 15A NCAC 02Q .0304(b)(2);

            (H)   a financial qualification if required;

            (I)   substantial compliance statement if required; and

            (J)   the application fee as required pursuant to 15A NCAC 02Q .0200.

(c) The applicant shall use the official application forms provided by the Division or a facsimile thereof.

(d) The Division shall provide the applicant a checklist of all items of information required to prepare a complete permit application. This checklist shall be used by the Division to determine if the application is complete.

(e) The Division shall provide the applicant a list of permit conditions and terms to include in the draft permit.

(f) Before filing a permit application that includes dispersion modeling analysis submitted in support of the application, the applicant shall submit a modeling protocol and receive approval for the dispersion modeling protocol.

(g) The Division shall follow the procedures set out in G.S. 143-215.108(h) when processing applications filed in accordance with this Rule.
