

15A NCAC 02T .0102 SCOPE

The rules in this Subchapter shall apply to all persons proposing to construct, alter, extend, or operate any sewer system, treatment works, disposal system, contaminated soil treatment system, animal waste management system, stormwater management system, or residual management system, that does not discharge to surface waters of the State. However, these Rules shall not apply to sanitary sewage systems or solid waste management facilities that are permitted under the authority of the Commission for Public Health. The provisions for stormwater NPDES systems that discharge to waters of the State are codified in 15A NCAC 02H .1000. The rules in this Section are general requirements that shall apply to all program rules in this Subchapter.
