

**15A NCAC 03L .0210    REPACKING OF FOREIGN CRAB MEAT PROHIBITED**

It shall be unlawful to repack foreign crab meat in North Carolina into another container. For the purpose of this Rule, "foreign" shall mean any place or location outside the United States. This Rule shall apply to all facilities and persons permitted in accordance with 15A NCAC 18A .0135. This Rule shall not apply to crab meat that has been transformed into another product, such as crab cakes or other value-added products.
