

15A NCAC 08G .0505 EXAMINATION REVIEWS

(a) Any applicant who fails to make a passing score on an examination shall be allowed to review his or her exam at a date, time, and location specified by the Commission. Notification of the reviews shall be sent using the address submitted upon application and this shall be the only opportunity the applicant shall be allowed for reviewing the examination.

(b) An applicant shall not be allowed to review the examination within 30 days of an upcoming examination date.

(c) All examinees shall receive a report that summarizes his or her performance on the exam, including the score, subject matter areas from which the questions were drawn, as well as correct and incorrect responses to each question. Specific questions from the exam shall not be included in this report.
