

SECTION .1500 - EVIDENCE

15A NCAC 10A .1501 SUMMARY DISPOSITION

The Executive Director or his or her designee may determine the summary disposition of fish or wildlife seized by the Commission. Summary disposition shall be determined in accordance with G.S. 113-137(d), on a case-by-case basis, taking into consideration factors that may include public health and safety, conservation objectives of the Commission, and the health or genetic integrity of native wildlife resources. Summary disposition may include release, relocation, or euthanasia.
