

15A NCAC 10H .0109 QUAIL CALL-PEN TRAPS

Licensed controlled hunting preserve operators that release pen-raised quail for hunting or dog training shall be authorized to use quail call-pen traps, between September 1 and April 30, to recover released domestically raised quail, subject to the following requirements:

- (1) traps shall have a weather-resistant permanent tag attached with the operator's name and address written legibly; and
- (2) traps shall not be located within 100 yards of any boundary of the hunting preserve.
