

**15A NCAC 18A .3602 STANDARDS AND APPROVAL OF PLANS**

(a) The owner or manager of a proposed resident camp shall submit plans, drawn to scale, as well as a topographic map, for buildings and equipment, water supply system, wastewater disposal system, and recreational waters to the health department of the county in which the site is located. Plans, drawn to scale, and specifications shall also be submitted to the local health department for any additions or renovations to existing buildings or any new buildings or facilities in existing resident camps. The local health department shall require that the camp submit a topographic map upon determination that the proposed changes will impact camp sanitation or drinking water supplies.

(b) Construction shall not be started until the plans and specifications have been approved by the local health department.
