

15A NCAC 18C .1214 DISPOSAL OF ANY SUBSTANCE

Any person who intends to dispose of or store any substance that may adversely affect the quality of the water, to the point of rendering the water unsuitable as a source for a public water system, shall notify the Division prior to disposal or storage. The notification shall be in writing and shall list any substances that will be disposed of or stored. No substances shall be disposed of or stored without the Division's approval. The owner of the water supply shall be responsible for maintaining surveillance of the reservoirs and watersheds to insure protection of the water quality and shall notify the Department of any activities that may endanger water quality.
