

15A NCAC 18C .1608 REQUIREMENTS FOR AN EXEMPTION

The Secretary may exempt any public water system in the state from any requirement respecting a maximum contaminant level or any treatment technique requirement, or from both, of an applicable rule of this Subchapter upon a finding that:

- (1) Due to compelling factors (which may include economic factors), the public water system is unable to comply with such contaminant level or treatment technique requirement;
- (2) The public water system was in operation on the effective date of federal promulgation of such contaminant level or treatment technique requirement; and
- (3) The granting of the exemption will not result in an unreasonable risk to health.
