

16 NCAC 06G .0506 CHARTER SCHOOLS GOVERNANCE NONCOMPLIANCE

(a) There are three stages of Governance Noncompliance: Governance Cautionary Status, Governance Probationary Status, and Governance Disciplinary Status. The State Board of Education shall place a charter school within a governance non-compliance status based on substantial evidence of any one of the following governance warning conditions. The status imposed shall be based on the degree to which the non-compliance reflects the charter school board's neglect of its corporate obligations.

- (1) Failure of the board to conduct meetings in accordance with schedule in the bylaws or the approved charter application and failure to adopt and follow policies regarding the operation of the charter school including Personnel, Disciplinary, and Parental Grievance policies.
- (2) Failure to show progress towards the educational and organizational goals described in the approved charter school application.
- (3) Failure to maintain minimum student enrollment stated in the charter application or approved waiver to operate under the minimum of 80 students.
- (4) Bylaws violations including, failure to follow the Open Meetings Law, failure to maintain Public Records, failure to implement a Conflict of Interest Policy, failure to adhere to rules of Parliamentary Procedure.
- (5) Charter Agreement violations including, failure to follow State or federal laws, failure to meet the health and safety standards required in G.S. 115C-218.75, failure to make adequate academic progress as described in the charter application, failure to comply with State testing and accountability statutes and rules in this Chapter, and failure to supply all reports and documentation as requested by the Office of Charter Schools to ensure legal compliance with General Statutes, State Board of Education rules in this Chapter, and the Charter Agreement.
- (6) Failure to maintain certification of at least 50 percent of teachers in all grades pursuant to G.S. 115C-218.90 from December 31 of each year through the end of the school calendar year.

(b) The stages of noncompliance are as follows:

- (1) Level 1: Governance Cautionary Status: Upon receiving a governance warning for any of the above conditions, the charter school will be placed on Governance Cautionary Status. The school remains in cautionary status for 30 calendar days and during that time must correct the exception that caused the warning. When the 30 calendar days have ended and the exception is corrected, the governance warning will be removed and the school will be removed from cautionary status. Failure to correct the exception during the 30 calendar days cautionary period constitutes a second governance warning and the school will be placed on Governance Probationary Status.
- (2) Level 2: Governance Probationary Status: The school remains on Governance Probationary Status for 30 calendar days and during that time must correct the exceptions that caused all of the governance warnings. When the 30 calendar days have ended and the exception is corrected, the governance warning will be removed and the school will be removed from probationary status. Failure to correct the exception during the 30 calendar days probationary period constitutes a third governance warning and the school will be placed on Governance Noncompliance Status.
- (3) Level 3: Governance Noncompliance Status: The school remains on Governance Noncompliance Status for 10 calendar days. When in Noncompliance Status, the school is expected to correct all of the exceptions that caused the governance warnings within 10 calendar days. State funds for the school may be allotted on a monthly basis until the exceptions that caused all of the governance warnings are corrected. A School placed in Governance Noncompliance Status may be referred to the Charter Schools Advisory Board for appropriate inquiry and action as determined by the State Board of Education.
