

18 NCAC 13 .0803 ANNUAL SERVICE REPORT SCHEDULE

The explanation included in an annual service report for a new schedule and the accompanying new schedule shall be linked to the description and map of the franchise service area in a manner which permits a person reading the explanation to determine whether or not the new schedule affects an area. Note: For example, an explanation and new schedule would be linked to the service area description if it stated: Households in the northern quadrant of the service area were scheduled to be passed in 2007. That schedule has now changed because flooding due to Hurricane XYZ prevented passing those households. Those households are now scheduled to be passed in 2008.
