

19A NCAC 02C .0109 RIVER ROAD OR MOUNTAIN DEVELOPMENTS

Many areas have developments that serve seasonal residences mainly even though there may be some year-round occupancy. These type roads are to be added to the state maintained system by the Board of Transportation only if the access road to the development and the roads within the development are paved to the minimum Board of Transportation's construction standards. This is in line with the paved subdivision street or road requirement.
