

21 NCAC 16Q .0507 PROCEDURE FOR MINIMAL CONSCIOUS SEDATION EVALUATION OR INSPECTION AND RE-INSPECTION

- (a) When an evaluation or on-site inspection is required, the Board shall designate one or more persons to serve as evaluators, each of whom has administered sedation or general anesthesia in accordance with this Subchapter for at least three years preceding the inspection. Training in minimal conscious sedation or other levels of sedation shall not be counted in the three years.
- (b) The inspection fee set out in Rule .0504(a) of this Section shall be paid no later than 10 days after the applicant or permit holder receives notice of the inspection for each additional location at which the applicant or permit holder administers minimal conscious sedation.
- (c) Any dentist-member of the Board may observe or consult in any evaluation or inspection.
- (d) Each evaluator shall determine compliance with the requirements of the rules in this Subchapter, as applicable, by assigning a recommended grade of "pass" or "fail."
- (e) Each evaluator shall report his or her recommendation to the Board through the Board member serving as the Chair of the Board's Anesthesia and Sedation Committee, setting forth the details supporting his or her conclusion. The Committee Chair shall not be bound by these recommendations. The Committee Chair shall determine whether the applicant or permit holder has passed the evaluation or inspection and shall notify the applicant or permit holder in writing of its decision.
- (f) An applicant who fails an inspection or evaluation shall not receive a permit to administer minimal conscious sedation. If a permit holder's facility fails an inspection, no further minimal conscious sedation procedures shall be performed at the facility until it passes a re-inspection by the Board.
- (g) An applicant or permit holder who fails an inspection or evaluation may request a re-evaluation or re-inspection within 15 days of receiving the notice of failure. The request shall be directed to the Board in writing and shall include a statement of the grounds supporting the re-evaluation or re-inspection. Except as set forth in Paragraph (h) of this Rule, the Board shall require the applicant or permit holder to receive additional training prior to the re-evaluation to address the areas of deficiency determined by the evaluation. The Board shall notify the applicant in writing of the need for additional training.
- (h) An applicant who failed the written examination portion of the evaluation but passed all other aspects of the evaluation and inspection may retake the written examination two additional times at the Board office. The applicant must wait a minimum of 72 hours before attempting to retake a written examination. Any applicant who failed the written portion of the examination three times shall complete an additional Board-approved course of study in the areas of deficiency and provide the Board evidence of the additional study before written reexamination.
- (i) Re-evaluations and re-inspections shall be conducted by Board-appointed evaluators not involved in the failed evaluation or inspection.
- (j) An applicant must satisfy all the requirements of Rule .0505 of this Section, including passing the written examination, evaluation, and inspection, within 12 months of submitting the application to the Board.
