

21 NCAC 38 .0807 DOCUMENTATION/REPORTING PROCEDURES

(a) Licensees shall maintain the required proof of completion for each continuing competence activity as specified in the rules of this Section. The required documentation shall be retained by the licensee for two years following the last day of the license renewal period for which the continuing competence activities were earned.

(b) Licensees shall not send their continuing competence activity documentation to the Board unless audited or otherwise requested by the Board.
