

21 NCAC 46 .1207 DEVICE AND MEDICAL EQUIPMENT COMMITTEE

(a) The device and medical equipment committee shall consist of the following:

- (1) a representative of the medical equipment suppliers;
- (2) a representative of the medical oxygen suppliers;
- (3) a representative of the rehabilitation technology suppliers; and
- (4) two Board members.

(b) Each of the members of the device and medical equipment committee shall be appointed by the Board. Device and medical equipment permit holders may provide input in these appointments. The representative must practice in the area for which he or she is nominated, but need not practice exclusively in that area. In case of death, resignation, or removal from the committee, the Board shall fill the vacancy with a representative who meets the criteria for the position.
