

21 NCAC 50 .0405 MULTIPLE LICENSES

(a) In order to maintain the identity of firms and allow effective supervision, each licensed contractor or technician shall qualify only the business location from which the majority of his or her work is carried out.

(b) A licensee shall only be listed on one contractor license at any given time, whether the license is issued in the name of the individual or in the name of a firm; provided, however, that the Fire Sprinkler Maintenance Technician qualification, the Private Educational Institution Technician, and the State and local government technician qualification may be listed separately in the name of the employer to which restricted.

(c) The holder of qualification as a contractor may, upon deletion of his or her name and qualifications from the license for a corporate, partnership, private education institution or State or local government agency, reinstate his or her personal license, either as an individual or in the name of some other corporation, partnership, or business that has a trade name, upon compliance with G.S. 87-26.

(d) A technician licensee, other than the holder of a Fire Sprinkler Maintenance Technician license, may, upon deletion of his or her name and qualification from a firm license, move his qualification to another licensed corporation, partnership, State or local governmental agency, private educational institution, or business that has a trade name, upon compliance with G.S. 87-26.
