

21 NCAC 54 .1608 ETHICAL VIOLATIONS

The Board shall use those policies, publications, guidelines, and casebooks developed by the American Psychological Association in determining whether violations of the Ethical Principles of Psychologists have occurred. In addition, publications, guidelines, policies, and statements provided by the Association of State and Provincial Psychology Boards, the National Association of School Psychologists, and other relevant professional associations and bodies may be used in interpreting the Ethical Principles of Psychologists.
