

24 NCAC 06A .0419 DATA SECURITY

The Internal Controls shall ensure that an Operator maintains the security and confidentiality of Wagering data, Player data, Personal Information, financial information, and other confidential information, including information provided by a Sports Governing Body, racing regulatory body, or the equivalent, from unauthorized access and dissemination except as otherwise authorized by the Act and these Rules. Consistent with federal law, nothing in this Rule shall in and of itself preclude the use of Internet or cloud-based hosting.

*History Note: Authority G.S. 18C-114(a)(14);
Previously adopted as Rule 1D-019;
Eff. January 8, 2024;
Readopted Eff. March 27, 2024.*
