

**26 NCAC 05 .0114            RRC RULE APPROVAL CONTINGENT ON TECHNICAL CHANGE**

- (a) When the Commission approves a rule, the approval is contingent on an agency's making all requested technical changes.
- (b) The agency must make such change prior to the close of business on the next business day after the rule is approved, or such other date or time as may be set by the Commission, in order for the rule to take effect on the first day of the following month.
- (c) If the change has not been made as set out in Paragraph (b) of this Rule, then the rule shall be calendared on the Commission's agenda for the following month.
